## TGA Junior Golf Academy at

## **Summer Camp**

The mornings, for both sessions, will be the instructional portion of the day. From 9 am to 12 pm we will be on the range and putting green doing lessons, skills challenges, and games.

In the afternoon, during the full day session, campers will play the course. Each group will have an instructor advising them on what was learned as well as providing course management, club selection, and rules advice.
